

Solo Studio Albums:

1. ****Subliminal (2013)****: Gims' debut solo album, featuring hit singles like "J'me tire," "Bella," and "Zombie." The album was a commercial success, solidifying his position as a leading figure in the French music scene.
2. ****Mon cœur avait raison (2015)****: This album is divided into two parts: "Pilule bleue" and "Pilule rouge." It includes popular tracks such as "Sapés comme jamais," "Brisé," and "Est-ce que tu m'aimes?" The album received critical acclaim and further established his versatility as an artist.
3. ****Ceinture noire (2018)****: A double album that includes hits like "La même" (featuring Vianney), "Mi Gna" (with Super Sako), and "Corazón." The album showcases Gims' ability to incorporate various musical styles and collaborate with artists from different genres.
4. ****Ceinture noire - Transcendance (2019)****: An expanded version of "Ceinture noire," featuring additional tracks like "Reste" (featuring Sting) and "Le Pire."
5. ****Le Fléau (2020)****: Gims' latest album, including singles like "Yolo," "Immortel," and "Origami." The album reflects his continued growth and experimentation with new sounds.

Compilation Albums:

- ****Les vestiges du fléau (2021)****: A reissue of "Le Fléau" with additional tracks, including collaborations with artists like J Balvin and Maluma.

Notable Singles:

- ****"Est-ce que tu m'aimes?"****: One of his most famous tracks, it became a massive hit in multiple countries.
- ****"Sapés comme jamais"****: This song won the Best French Song at the NRJ Music Awards.
- ****"La même"****: A duet with Vianney, which topped the charts and received widespread acclaim.

With Sexion d'Assaut:

- ****L'École des Points Vitaux (2010)****: A major hit that includes tracks like "Désolé" and "Ma direction."
- ****L'Apogée (2012)****: Another successful album featuring hits such as "Avant qu'elle parte."
- Maitre Gims' discography highlights his ability to transcend genres and consistently produce music that resonates with a broad audience. His unique style, powerful vocals, and innovative approach have made him a standout artist in the contemporary music landscape.
