

The Beatles Songs

1. The Beatles - Come Together.ogv

- **Format:** Video (OGV)
- **Duration:** Approximately 4 minutes and 20 seconds
- **Description:** "Come Together" is a song from The Beatles' album "Abbey Road" (1969). It was written by John Lennon and features his distinctive vocal style and cryptic lyrics. The song's groove and bluesy feel became a hallmark of their late-period style.

2. The Beatles - Here Comes The Sun (2019 Mix).mp4.ogv

- **Format:** Video (MP4 OGV)
- **Duration:** Approximately 3 minutes and 6 seconds
- **Description:** "Here Comes The Sun" is a George Harrison composition from The Beatles' "Abbey Road" album. Known for its optimistic tone and intricate guitar work, it remains one of the band's most beloved tracks. The 2019 mix enhances the clarity and depth of the original recording.

3. The Beatles - Hey Jude.mp3

- **Format:** Audio (MP3)
- **Duration:** Approximately 7 minutes and 11 seconds
- **Description:** "Hey Jude" was released as a single in 1968 and later included on "The Beatles" (White Album). Written by Paul McCartney for John Lennon's son Julian, it became one of their longest and most iconic songs, known for its uplifting melody and sing-along chorus.

4. The Beatles - Let It Be.mp3

- **Format:** Audio (MP3)
- **Duration:** Approximately 3 minutes and 50 seconds
- **Description:** "Let It Be" is the title track from The Beatles' final studio album released in 1970. Written by Paul McCartney, it reflects on themes of comfort and acceptance during challenging times. The song features a gospel-infused style with heartfelt lyrics and a memorable piano melody.
